

ANNUAL REPORT OF
FLORA NATURE CLUB
NAVAJYOTHI COLLEGE,
CHERUPUZHA
2024-25

Introduction

Welcome to the annual report of the Flora Nature Club at Navajyothi College, Cherupuzha. This document highlights our activities, achievements, and initiatives over the past year, showcasing our commitment to environmental conservation, biodiversity awareness, and community engagement. Join us in reflecting on our journey.

Flora Nature Club

On June 5, 2022, the Flora Nature Club of Navajyothi College was inaugurated by Dr. Tresa Divya, coordinator of the Nature Club at UC College, Aluva. The club engages in various activities, including nature conservation, experience camps, social services, and day observations, promoting environmental awareness and community involvement.

Objectives

- ❖ To empower and educate students about the importance of environmental conservation and to create awareness about major environmental problems.
- ❖ Implementing small level projects which helps to create interest towards farming activities.
- ❖ Observing environmentally important days.
- ❖ Motivating the students to plant more trees.
- ❖ Educating the students to minimise the usage of plastics.
- ❖ Organizing various programmes like seminars, cartoon drawing, exhibition, craft making, quiz etc. regarding various environmental issues.

The Flora Nature Club had a vibrant 2024-2025 academic year, engaging students in diverse programs. Highlights included day celebrations, competitions, and team-building activities, fund raising programmes and other activities fostering enthusiasm and teamwork. The club successfully promoted environmental awareness and appreciation, encouraging students to connect with nature through active participation in various events.

Day Celebrations by Flora Nature Club

The Flora Nature Club organized a series of 15 day celebrations to promote awareness about nature conservation and engage with the community. Below is a summary of these events:

1. **Environment Day:** The club conducted a status march to raise awareness about nature conservation. Additionally, an inter-school quiz competition named "Dharthi Matha" was held.
2. **Reading Day:** A reading competition called "Akshara Muttan" took place at St. Mary's School in Chittarikkal, encouraging students to embrace reading.
3. **Nature Conservation Day:** Members gathered on campus to plant various plants, emphasizing the importance of preserving our environment.
4. **Karkkidakam:** To highlight the significance of the Malayalam calendar month Karkkidakam, the club organized a competition named "Karkkidak."
5. **Farmers' Day:** On Chingam 1, the first day of the Malayalam calendar, the club honored local farmers for their contributions to agriculture.
6. **Teachers' Day:** Flora members decorated the college and gifted photo frames to all teaching and non-teaching staff at Navajyothi College as a token of appreciation.
7. **World Bamboo Day:** The club planted bamboo trees on campus to promote the importance of bamboo in the environment.
8. **Gandhi Jayanti:** Members cleaned all signboards from Kannikkalam to Kakkenchal, demonstrating their commitment to community service.
9. **World Post Office Day:** The club honored the officers at Cherupuzha post office for their service to the community.

10. **Diwali:** Flora celebrated Diwali by lighting 1,000 lamps and distributing sweets and fireworks, spreading joy and festivity.

11. **M.T. Vasudevan Nair and P. Jayachandran Competition:** A competition was conducted in memory of these notable figures, promoting literary appreciation.

12. **Women's Day:** The club celebrated Women's Day with the Saradhi Kudumbasree members in Alakkod, organizing various games to foster community spirit.

13. **World Poetry Day:** Members prepared "Kavyamaram," a poetic tree, to celebrate the beauty of poetry.

14. **World Forest Day:** The club honored the forest officer at the Karnataka Forest Office, recognizing their efforts in forest conservation.

Through these celebrations, the Flora Nature Club successfully engaged the community, promoted awareness of environmental issues, and fostered a sense of togetherness among participants.

Competitions Conducted by Flora Nature Club

The Flora Nature Club organized a series of six exciting competitions for the students of Navajyothi College. These events aimed to engage students in various creative and intellectual activities.

1. **Mazhathullikal Reel Competition:** During the monsoon season, the club held a reel competition called "Mazhathullikal." This event encouraged students to showcase their creativity through short videos.

2. **Brain Battle Quiz Competition:** In June, the club conducted a quiz competition named "Brain Battle." This event aimed to identify the most knowledgeable students at Navajyothi College, testing their intellect and quick thinking.

3. **Stone Art Competition:** In another initiative to discover artistic talents, the Flora Nature Club organized a stone art competition. This event allowed students to express their creativity through unique stone art pieces.

4. **Onam Celebrations:** During the Onam celebrations on campus, the Flora Nature Club organized three additional competitions:

- **Swing Reel Competition:** Students participated in a fun reel competition themed around swinging, showcasing their creativity and enjoyment of the festival.

- **Photo Competition:** This event encouraged students to capture the essence of Onam through photography, highlighting their artistic eye.

- **Dress Code Competition:** Participants were also invited to dress in traditional attire, celebrating the cultural significance of Onam.

These competitions not only enhanced the students' creative skills but also fostered a sense of community and celebration within the college. The Flora Nature Club is proud of the enthusiastic participation and the talent displayed by the students throughout these events.

Team Building Programmes by Flora Nature Club

Flora Nature Club organized two different programmes aimed at improving teamwork among its members.

The first event was a two-day camp held at Farmers' Share in Shoranur. This camp focused on inner healing and teamwork. Members participated in various activities that encouraged bonding and personal growth.

The second event was a Family Fest organized for the club members. This fest included different games and activities designed to strengthen relationships and enhance teamwork.

Both programmes were successful in helping members connect with each other and improve their teamwork skills.

Fundraising Programs

The Flora Nature Club successfully conducted several fundraising programs to support its activities.

1. **WAM Tea Challenge:** The club members sold a total of 400 kg of tea powder, raising significant funds for our initiatives.

2. Tea Stall at Navajyothi College and Arch Angels School: Members operated a tea stall, generating additional funds while promoting community engagement.

3. Paper Challenge: The club organized a collection drive for waste paper and newspapers, gathering contributions from both the college and the community.

4. Lucky Draw Coupon Challenge: This program featured high-quality gifts, attracting participation and further enhancing our fundraising efforts.

These initiatives have greatly contributed to the funding of the club's activities, allowing us to continue our mission. Thank you to all members and supporters for their efforts and contributions!

Other Programmes of Flora Nature Club

The Flora Nature Club recently conducted several exciting activities that brought our members together and contributed to our community. Here's a summary of these events:

Campus Cleaning

The Flora Nature Club organized a campus cleaning event, and all members participated enthusiastically. Together, we cleaned the entire campus, paying special attention to the birthday corner, making it a nicer place for everyone.

Christmas Celebration

During the Christmas season, the Flora members got creative by making a large and beautiful star to decorate the campus. In addition, we crafted 20 small electric stars to brighten up the area.

Christmas Friend

As part of our holiday festivities, each member selected a Christmas friend, and we exchanged gifts, spreading joy and friendship among us.

Little Magazine

Another exciting project was the preparation of a beautiful little magazine. This magazine was created at a national level, showcasing the talents and creativity of our members.

Conclusion

In conclusion, the Flora Nature Club of Navajyothi College Cherupuzha has successfully fostered a spirit of unity and environmental awareness through its vibrant programs. Celebrations, competitions, team-building activities, and fundraising initiatives have inspired participants to cherish nature and work collaboratively, ensuring a lasting impact on our community and the environment.

THANK YOU
