(EASE)

ANNUAL REPORT

Academic Year: 2024-25

INTRODUCTION

Economics Club (EASE) is one of the academic clubs of Navajyothi College, was formed in October 2020 as an interest-based club to impart knowledge and invoke discussions and conversations about the field of economics and to highlight its importance. EASE bears the responsibility of increasing awareness, generating inquisitiveness, and fostering passion among the students and faculty in the field of Economics. The main aim of the club is to help reinforce learning in the classroom and extend knowledge and application of economics as a subject beyond classroom learning. Club encourages curricular and co-curricular activities of students by providing all the support and guidelines.

ON 12 JULY 2024

The Eddith Abbott Society of Economics (EASE) of Navajyothi College Cherupuzha conducted an interdepartmental Debate competition on behalf of Population Day on 12 July 2024. Seven teams from different departments participated in the programme. The topic was "Population Growth". The judges of this programme were Mr. Eby Jose P, (Assistant Professor in Economics) and Ms. Namitha Mathew (Assistant Professor in Economics). Prizes are given by Dr. Somashekharan (Principal of Navajyothi College) second year BBA won the first prize and 600 rupees of prize money. Third year BCA won the second prize and 400 rupees. Total 7 teams participated in the programme.

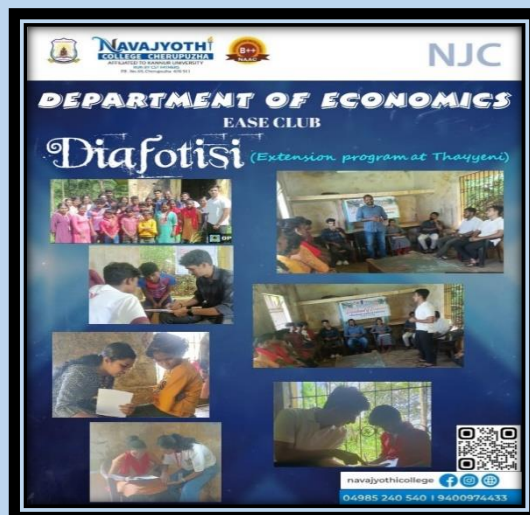

‘DIAFOTISI’

EXTENSION PROGRAM AT THAYYENI

ON 09 NOVEMBER 2024

The Department of Economics of Navajyothi College Cherupuzha, club EASE has conducted an extension program named ‘Diafotisi’ was organized on 09/11/2024 at Thayyeni. Welcome speech was done by Christy C. J (program coordinator). Presidential address was given by Mr. Syam Santhosh (HOD of Economics Department). The program was inaugurated by Fr. Sijoy Paul CST (Director, Navajyothi College Cherupuzha) The Felicitation speech was given by Mr. Aneesh (co-ordinator) and by Mrs. Jomi George (Assistant Professor, Dept. of Economics) and vote of thanks was given by Adwaidh. M (President, EASE). The program was conducted on 09/11/2024 at 10:00 AM which was held at the community hall at Thayyeni.

The main objective of the program was to help the tribal students in their academics. The students from the Economics department have taken an initiative to tutor the students in their academics. They help the students in various subjects like Mathematics, English, Malayalam, and Hindi and so on. Total 10 students from the department of Economics participated in the programme.

‘JINGLE BELLS’

CHRISTMAS PROGRAM AT JYOTHIKA BALIKA BHAVAN PULIGOME ON 07 DECEMBER 2024

The Economics department, in collaboration with the BSW and psychology departments, organized a Christmas program at Balika Bhavan, Pulingome and a home for the orphan girls. The event aimed to bring joy and festivity to the residents, fostering a sense of community and care during the holiday season. Total 11 students participated in the programme.

Outcomes

- The residents experienced a day of happiness and celebration, breaking the monotony of their routine.
- The students gained first-hand experience in social service, enhancing their sense of empathy and responsibility.
- The collaboration strengthened the bond between the institution and the community.

The Christmas program at Balika Bhavan was a resounding success, leaving a lasting impression on all participants. It underscored the true essence of Christmas spreading love, joy, and hope. The Economics Department looks forward to continuing such initiatives, ensuring the upliftment and happiness of marginalized sections of society.

‘RANAM’

Three-Day Soft Skill Development Program On 13, 14, 15 December 2024

A three-day Soft Skill Development Program was organized at Little Flower Training centre, Irikkur on 13 to 15 December 2024 aimed at enhancing the interpersonal and professional skills of the participants. The sessions were conducted by Rev. Fr. Jophin CST, an expert in personality development and effective communication. The program focused on equipping the students with essential skills to navigate modern challenges in their pastoral and professional roles. 9 students from Economics department participated in the programme.

The Soft Skill Development Program was a significant step toward holistic formation for the seminarians at Little Flower Seminary, Irikkur. The sessions by Fr. Jophin CST were highly impactful and left a lasting impression on the participants. This initiative has underscored the importance of continuous skill development in forming effective leaders for tomorrow.

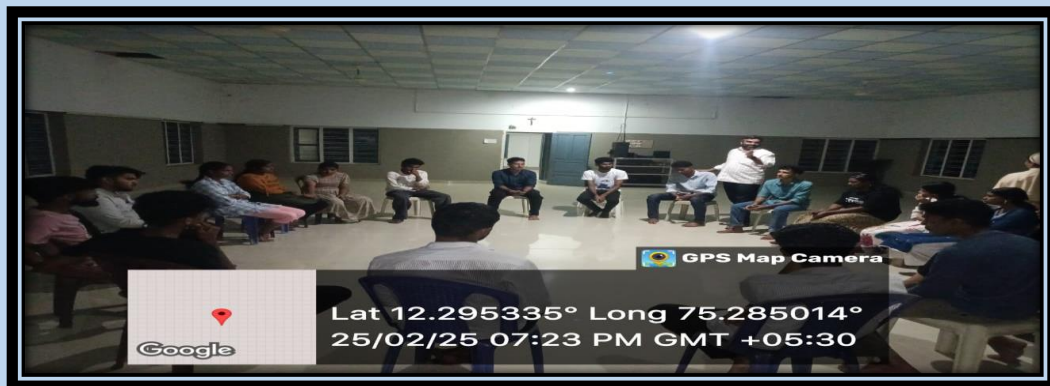

‘CRESCIVERGO’

CONCLUSION

The Economics Club has had a productive and engaging year, with a variety of programs and activities aimed at enhancing the knowledge and skills of its members. The club has been actively involved in organizing various skill development programs and special day celebrations, providing valuable experiences for its members. The club has successfully organized a variety of skill development programs and impactful events, including the Population Day debate competition, which not only honed the members' abilities but also raised important discussions on population growth and its implications. The club remains committed to providing opportunities for learning, growth, community engagement, and looks forward to building on these activities in the coming year.
